Land & New Homes

Land & New Homes

Gibson Lane are independent agents specialising in land, development and new home sales in Surrey and Greater London.

We have a highly professional, forward thinking team who are qualified to deal with every aspect of your land, development and new home needs.

Gibson Lane has a proven track record in dealing with local and national developers and many new home sites.

Whether you have a house on a large plot of land, a disused garage or a vacant commercial premises, your property could have development potential.

Our experienced team can help you unlock the value in your property and advise on concept, feasibility, current value and re-sale values.

For an exceptional service call us on 020 8546 5444.

Traditional values - modern methods.
